VIRTUAL HIGH SCHOOL INFORMATION NIGHTS

Additional Details:

*Email will be sent with all Zoom links

*Please fill out this form with general questions to be answered during the presentations: <https://forms.gle/Rq1vhsXruX9YAv7n6>

Each school will do a short presentation and have time for a question and answer session. Please try to limit questions to those that are good for the group as opposed to child-specific. Questions that are specific to your child should be asked at a later time. The high schools will do their presentations separately so you will need to log into each one individually.
