

Julie Billiard Schools

BEYOND EDUCATION. BEYOND EXPECTATIONS.

January 20, 2021

Dear Families, Faculty, and Staff,

In an effort to remain fully transparent and keep our school community safe, we want to share that a faculty member of Julie Billiard School Akron has tested positive for COVID-19. The people who were close contacts of the person with COVID-19 will be instructed to stay home (quarantine) from school for 14 days after the exposure. If your child is determined to be a close contact, you will receive a separate communication within the hour.

Due to [HIPPA and FERPA](#) guidelines, the identity of this individual is protected. We ask that you do not speculate or share information about this individual. Due to the nature of this pandemic, it is difficult to know where or how the individual contracted the virus - but **please know that we have been and will continue to do everything in our power to limit the exposure to COVID-19 within Julie Billiard Schools.**

What's Next?

- The person diagnosed is being kept home from school until they are no longer infectious.
- More than ever, it is incredibly important that all students, faculty, and staff adhere to our [health and safety protocols](#) so that we can continue to offer a safe space for our kids to learn.
- To keep cases to a minimum, please check yourself (or your child) for symptoms before coming to school each day. Additionally, if you or your child is experiencing symptoms of COVID-19, keep your child at home from school and avoid other activities around other people.

While Julie Billiard Schools has performed nightly deep cleanings, adhered to social distancing guidelines, sanitized high-touch spaces between use, and followed all health and safety protocols, there are inherent risks when entering a communal building such as a school, which may result in being exposed to COVID-19. We ask for your understanding and cooperation as we navigate this situation.

Gratefully yours in mission,
Lannie Davis-Frecker, Jodi Johnston, and Jason Wojnicz

Visit our [COVID-19 Resource Center](#) for announcements, resources, and information.
