

## Reopening Guidelines

Julie Billiard Schools are prepared to reopen to both in-person and virtual learners on Tuesday, August 25. **If, for any reason during the upcoming months we are required to close, Julie Billiard Schools are prepared to seamlessly transition between our current phase and that of an all virtual model. This guide is designed to give our families peace of mind and as much preparation as possible for the months ahead.** Please note that, because we have schools in Summit and Cuyahoga counties and because we have families traveling to schools from a number of counties and districts across Ohio, the “Factors Affecting” section below is not entirely comprehensive. Changes in Julie Billiard Schools Plan will take into account many factors including CDC recommendations, state recommendations, guidance and recommendations from local Boards of Health, parent, faculty, and staff feedback, and student and faculty illness and absence levels. Faculty, staff, and families will be notified of any change in status or plans.
